

Membership Application

Baja Arizona Sustainable Agriculture (BASA) is a 501(c)(3) nonprofit organization whose mission is to help create a local food supply in southern Arizona that is good for people, good for the environment, and good for communities.

Our goal is to strengthen local food production and marketing by educating both producers and consumers.

Membership Benefits: Invitations to local food and agriculture events, members-only agricultural field trips and a discount at our annual milling events!

Membership donations are fully tax deductible and greatly appreciated!

I want to start or renew membership with BASA and help support healthy, sustainable food choices for southern Arizona!
